

**1. Long Code**

*How can I acquire a Long Code?*

**Flowers**

**Frowns**

“You did not specify whether you intend to use the long code for SMS or voice.”

**Conclusion/ Remarks**

“Long codes are assigned by the telcos. You need to get in touch with the respective VAS staff there

Alternatively, you could enlist the help of VAS aggregators experienced in handling such since they ha

## 2. Phone Tracking

---

*What are the procedures followed?*

**Flowers**

**Frowns**

"A friend bought a phone in town from a shop last year but got it robbed a month later... Around June

**Conclusion/ Remarks**

"If I were her, I would just stay put. Because even when told to report to police, weird things have hap

"Security agencies these days have the capability of locating you or at least the mast you are commu

If you really want to get a separate printout you should probably report this very phone as stolen from

"Better use CID directly. They have a desk/department that handles electronic crimes."
