

1. Cyber Crime initiated by **Margaret Sevume**

How can the ICT community raise awareness of vulnerable groups?

Flowers

Mr Green Mugerwa started a project targeting school going children.

Police have a cyber-crime division and could spearhead the effort, joined by other government bodies;

UCC is partnering with NITA to establish a national computer emergency response team CERT; its ma

CERT shall work with other stake holders in carrying out its activities through public private partnership

Frowns

Con men use the same tricks; it is just the mediums (phone, email, website...) that keep changing. Peo

The challenge with government is that sometimes they tend to take too long to make a simple decision

People shouldn't disclose private information on social media.

Not many people understand fraud or scamming.

Conclusion/ Remarks

I-Network should develop a project on awareness.

The biggest problem is that the most targeted are the most hard to reach!

It all boils down to personal security, the same way you don't accept lifts and gifts from strangers is t

What is police's budget on ICT?

Regulations, law and policing will only assist reduce or convict, but it certainly will not help educate.

So which agency in Uganda is responsible for protecting government communications and information

2. Reliable web hosting Victoria Karamagi

Any recommendations for a reliable local web hosting company; with a reliable technical team?

Flowers

Conclusion/ Remarks

Let one of your friends write on your wall that you have been hacked. Then contact Facebook to help w

4. Why is Sourceforge.net off Mugabi

Does anyone know why sourceforge.net is off?

Flowers

It is accessiblePing.net

Use <http://extwinedownforeveryoneorjustme.com/>

Frowns

Ward data seems to have that problem more frequently than other data service providers.

Conclusion/ Remarks

Try changing your DNS Settings to use the Public Google DNS Servers which are:-

Primary: 8.8.8.8

Secondary: 8.8.4.4

5. Invitation to join the ICT Association (ICTAU)

Invites you to join the ICT Association of Uganda (ICTAU) whose official launch is set for next week

Flowers

Seeks to become largest forum for ICT practitioners, managers, entrepreneurs, researchers and policy

To share knowledge and experience on development informatics in Uganda by working with various sta

6. Umeme ebillated by **Kirunda Magoola**

You can now receive your Umeme bill via email.

Flowers

Tried it for the past month and it works.

Frowns

Promptly registered and sent a reminder but nothing happened.

Registered, have never received a bill.

Conclusion/ Remarks

It works for both bills and customer complains, request that they give as-of-date bills like National water

7. Free Online Courses by Andy Douglas Musunga

Has anyone done a free online course from sites like Edx, Coursera and Udacity?

Flowers

To be commended, this initiative is revolutionizing education.

Frowns

Materials are in video form, requires a lot of bandwidth.

Conclusion/ Remarks

It's true that you need to have some bandwidth on average there are 4-5 videos per week each about 5

8. Intel Classroom Computers Bellis Uganda

Need help finding suppliers for the above computers.
