

Hi all,

I'm looking for 2 independent programmers for a short-term project.

They must have excellent hands on experience in the tools below with references of previous work done.

.Net 4 or .Net 4.5

MVC 4

MS SQL 2008 or 2012

Telerik Ui

If interested, please contact me with your CV off list.

On [rmugabi@gmail.com](mailto:rmugabi@gmail.com)

Kind regards,

Ricky
